SHIPPING & LOGISTICS

WORK HARD & WORK SMART

**THE LONG ROAD TO KEEP A SHIP RESTING IN THE HEAVY WAVES
YOU CAN REACH US FROM ALL OVER THE WORLD**

Growing ? It's been a busy year so far, with new businesses and new offices springing up regularly. We now have a logistics & SHIPPING AGENCY office in ALEXANDRIA (EGYPT) and a new shipping office in MANAMA (BAHRAIN)

Helping ? We all need help from time to time. Whether it's to do with business or with matters closer to home, knowing you have people you can rely on makes a big difference.

policy ? is to work seriously in all areas of our specialties. Our relationship extends to the last place in the world in order to give a distinguished service Opportunities for illegal gain and corruption are many in some parts of the world, but Al-Masa Group with all its branches is always vigilant and works with integrity and ethics. Al-Masa Group is ready to go miles in order to maintain standards of service and professionalism.

“ I hope you enjoy reading this edition of ALMASA profile. Drop me line if you have time ! ”

Ship Spare Parts Clearing

- ALMASA Shipping Agency Staff are specialists in Clearing Ship Spares in Transit and delivering to the vessels.
- Dubai Airport is very well organized and although regulations to exist, Dubai Customs try to keep the clearance time to a minimum.
- As a result, it all depends on the Shipping Agent, clearing the Spares.
- We can practically guarantee delivery of Urgent Ship Spares at any Port or Anchorage in the United Arab Emirates, within Twelve to Fourteen Hours from landing of the Flight. For the fastest delivery time, we recommend shipments to be sent using Emirates Airlines, which have the option of Express Clearance available.

Man power Supply

Our crew management department can handle all crew matters. We have a huge database of qualified officers, Engineers and another nationalities ratings which allows us to fulfil market needs. We believe that people are the key to any business success so choosing the right people in the right place is the first step. Our crew management department can also arrange any kind of transportation, accommodation and all arrangements related to the seafarer signing on/off process.

- Offshore and Onshore Certified Crane Operators.
- Marine Personnel.
- Electric Technician.
- Riggers.
- Deckhands / Seaman.

Technical Support Services

ALMASA Shipping Agency Management and Staff specialise in attendance of vessels requiring repairs of any kind, or drydocking in UAE & KSA , Dubai – and Fujairah –DAMAM have developed a Shipping Industry infrastructure easily comparing to that of Rotterdam, Singapore and Piraeus. With Dubai Drydocks at the top of the List, all kinds of repairers exist in this area. And Repair Berths in the Ports for Afloat Repairs are usually available, for all sizes of vessels. Hull, Machinery, Navigation and Communications equipment of Ships can be repaired by a largely specialised work force. We can either make all the arrangements for the repairs, or, simply, bring Shipowners and/or Ship managers in contact with Repairers, suitable for the kind of repairs their vessels may require. We are committed to supply a wide range of technical stores manufactured by domestic or global makers for following main departments.

Departments :

- Deck Stores.
- Engine Stores.
- Cabin Stores.
- Safety Equipment's.
- Pneumatic Tools.
- Kitchen Equipment.
- Cloth And Linen Products.
- Stationery Stores.
- Medical Stores.
- Machinery Equipment.
- Marine Chemicals Including Paints.
- Nautical Equipment's & Publications.
- Electrical Stores.
- Rope & Hawsers.
- Consumables.

We also carry out :

- DP Design, Review and Redundancy Analysis.
- Failure Mode and Effects Analysis (FMEA).
- Failure Mode, Effects & Criticality Analysis (FMECA).
- Operations Manuals, procedures and training.
- Annual DP trials, in conformance with IMCA & MTS guidelines.
- DP Incident / Equipment failure investigations.
- Risk-based CAM, TAM and ASOG.
- DP charter suitability studies, including regulatory guidance.

Cleaning & Slops Disposal

Underwater Hull Cleaning & Diving Services

Fuel consumption and sailing time can be reduced by regular and thorough Underwater Hull Cleaning of Vessels. Sometimes underwater repairs are required by vessels, anchors and anchor chains can be fouled-up and even lost... ALMASA Shipping Agency has always fast solutions for such problems: We can either organize everything quickly, or, simply, advise the Owners as to who can do the job in this area.

Slops Disposal

Global environmental concerns have helped introduce stiff regulations related to slops disposal from vessels. Engine Room Oily Water as well as Slops from Tankers can be disposed through Authorised Companies in Dubai Ports and at Fujairah Anchorage. Galaxy Shipping Agency can make all arrangements – and documentation when required – for De-slopping of vessels.
